

ROLLRIGHT PARISH COUNCIL

The precept was raised 4% from £10,192 to £10,702

Receipts were up 84% because a grant was received from WODC to pay for the new gravel in the VH car park

Payments were up 25% because the above grant did not totally cover the cost of the VH gravel. VAT will be reclaimed in 2019/20. There was additional grass maintenance.
